

## FINANCIAL ASSISTANCE/SCHOLARSHIPS

Scholarships are available to qualified students. Continuing Students can apply for scholarships on the Web at <http://saas.byu.edu/>. Scholarships awarded by the University Financial Aids Office are based on academic achievement (GPA), total credit hours, and other stipulations. (See a copy of the University Scholarship Policy in the Appendix of Nursing Student Handbook—Document 8.)

College of Nursing scholarships are available to qualified Nursing majors. Students apply for these awards by applying through the Nursing website listed below. In addition, students must meet the following qualifications: (See a copy of the College of Nursing Scholarship Policy in the Appendix—Document 9.)

The scholarship application procedure is a 2-step process. To be considered for a Nursing Scholarship, **both steps must be completed.**

1. All students will be required to apply through the University for Scholarships. The FAFSA form is part of the application for a comprehensive university scholarship and is preferred.
2. Students must complete a scholarship application form (print it off of the website) in order to be considered for a College of Nursing scholarship. Stipulations for each scholarship are listed on our website <http://nursing.byu.edu>. If you don't know which scholarship you would like just write "Any Scholarship" in the space provided.

Students are responsible for the university scholarship deadlines and the College of Nursing scholarship deadlines which are usually the same. (See College website for current deadline information) Exceptions to College of Nursing deadlines may be petitioned through the Advisement Center, but approval is not guaranteed.

If students have previously received a scholarship from the College of Nursing, they will not be eligible to receive another unless they have attended the scholarship luncheon in November, have sent a thank-you letter(s) to the donor(s) and have provided a copy to the Advisement Center by the deadline set forth in the scholarship letter received. Students may check with the Advisement Center to find out if a copy of the letter is on file.

Petitions:

Petitions may be completed to request a pro-ration of a scholarship based on credit hours. This must be done prior to the scholarship deadline. **Only Capstone students will be eligible for pro-ration.** Pro-ration will not be approved for fewer than 10 credits in a F/W semester. Spring/Summer terms scholarships are not pro-rated, although exceptions may be approved in the event of extreme emergency. Exceptions are requested by petition.

If you have questions, please contact the Assistant Advisor in the Advisement Center.
